

# Meise Botanic Garden

## International Euphorbia Convention

**18 & 19th of May 2019**

Botanic Garden Meise (BE)  
Nieuwelaan 38, 1860 Meise  
[www.botanicgardenmeise.be](http://www.botanicgardenmeise.be)

Organized by the International Euphorbia Society

### Saturday 18th of May

- Wilbert Hetterscheid (& Thomas Haevermans) (NL) – “Euphorbia sect. Lacanthis: Decoding a legacy of taxonomic confusion.”
- Rolf Becker (SA) – “A photographic introduction to the diversity of the succulent Euphorbias of Southern Africa.”
- Joël Lodé (ES) – “Euphorbias around the world.”
- Plant Show with award certificate for the winner

### Sunday 19th of May

- Ricarda Riina (ES) – “Geographical disjunctions within Euphorbia, why are relatives so far apart?”
- Alain Rzepecky (PT) – “From herbs to trees, Omani Euphorbias’ diversity.”
- Susan Carter (UK) – “Classification of the pair-spined Euphorbia species.”

### On Both Days:

View in the Euphorbia Reference Collection and other succulent collections & plant sale!
